

# Salad Bars for Texas Kids!

**Make a difference in Dallas by helping Texas schools serve more fresh produce**

At United Fresh 2012 in Dallas, join the United Fresh Foundation and industry colleagues in making a charitable commitment to children of our convention host state.

On May 1st we will host a press event to announce the donation of new salad bars for Dallas-area schools. United Fresh is a founding partner of Let's Move Salad Bars to Schools, a national initiative that has donated salad bars to over 1,000 schools nationwide, increasing children's access and consumption of fresh fruits and vegetables in school lunch every day.

## Salad Bars = Major Health Impact

**Sponsor 1 or more salad bars, just \$2,500 per salad bar.**

### Benefits include:

- Recognition at the convention Opening General Session, and at a salad bar press conference to formally announce this donation.
- Your company's sponsorship and logo recognized prominently in signage and printed materials at the convention.
- Recognition on the United Fresh and Let's Move Salad Bars to Schools websites.
- And most important, the personal satisfaction that you're making a difference for Dallas-area kids, while investing in the future of the produce industry.
