✓ I know my involvement strengthens our efforts on Capitol Hill

First: _____ Last: _____
 Title: _____ Company: _____
 City: _____ State: _____ Zip: _____ Phone: _____
 Email: _____ Website: _____

Chairman, Subcommittee on Horticulture and Organic Agriculture Dennis Cardoza greets Apio Inc. CEO Nick Tompkins

- 1) Do you personally know any federal officials such as a Congressperson, Senator, Administration official or their staff? Please share with us your nature of relationship. Types of connections include community connection, business connection, personal friend, relative, neighbor, campaign donor, campaign volunteer, campaign employee, staff member, business partner, former employee, former employer, advocacy activity and other.

	Name	Position	Connection Type
a)			
b)			
c)			
d)			
e)			

When you are considering your "relationships" or "connections" – think broadly! For example, if you live in Florida but were in a sorority with the wife of a representative from Ohio, that is still a connection.

- 2) Who is generally responsible for your organization's government relations?
 Name: _____ email: _____ of contact.
- 3) Does your organization have outside lobbying representation? Yes _____ No _____
 If yes, Name: _____ Firm: _____ Phone: _____
- 4) I would be willing to help with the following? (check all that apply)

Support FreshPAC
 Support Produce Power Education Fund
 Host a fundraiser for a Member of Congress
 Visit your congressperson in your district

Host a facility or farm tour for congressional staff
 Write Congress through United Fresh
 Grassroots Action Network

Thank you for completing a vital step toward better political involvement!

United Fresh works to organize our members to have maximum access and influence in Washington. The strength that we have as an industry is in our membership and your willingness to help us in this endeavor. The information provided in this document is for United Fresh use only. The sole purpose of the enclosed information is to demonstrate to legislators the strength of the produce industry, as a collective, within their district or state. The information provided within this document will not be used to single out any one company. Thank you for your help on this important initiative. To learn more ways to strengthen our industry, please contact us at 202-303-3400.
