**Why We Need Your Prior Authorization:**

The purpose of this form is to provide the authorization required by the Federal Elections Commission (FEC) to allow United FreshPAC to include: the administrative, managerial, and executive personnel, employed by the organization and members of United Fresh, in the political process through personal contributions. FEC requires separate and specific consent for each year. United Fresh participation may also include member organizations shareholders, retirees, and family members. Corporations may grant prior authorization to only one trade association per calendar year.
