Chuck was on location at the 25th Annual Fuel Ethanol Workshop and of course he took a lot of pictures..

• Ag In NYC Classrooms

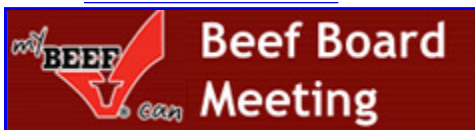

Would you believe a 4 year ag ed program in New York City?.

You should. It's John Bowne High School in Flushing, NY. In this week's program I interview Catherine Wang, Gibbs & Soell, who is Eastern NAMA President and high school Assistant Principal, Steve Perry about the scholarships just awarded to 2 students. You can also learn a lot about their program.

Subscribe if you haven't and enjoy.
