United Fresh Names 25 Retail Produce Manager Award Honorees

2018 Marks 14th Year of Honoring Outstanding Retail Produce Managers

WASHINGTON, D.C. (March 8, 2018) – Marking its 14th year of recognizing exceptional retail produce managers, United Fresh Produce Association announced the honorees of its 2018 Retail Produce Manager Awards Program. The group of 25 produce managers represents supermarket banners, commissaries and independent retail stores from 17 different states and Canada. The winners will be the honored guests at the United Fresh 2018 convention, June 25-27 in Chicago.

Sponsored by Dole Food Company, the program pays special recognition to produce managers working every day on the front line to increase sales and consumption of fresh fruits and vegetables. Since the program began in 2005, nearly 300 retail produce managers, representing more than 100 different retail banners, have been honored for their contributions to the industry.

“Produce managers are the face of our industry to the consumer. Their creative merchandising and positive approach to customer service directly correlates to the growth of sales and ultimately consumption of fresh fruits and vegetables,” said United Fresh President & CEO Tom Stenzel. “We are grateful to Dole for once again sponsoring this program and for their partnership in recognizing these 25 deserving honorees.”
