

Senator Cynthia Lummis

Party: Republican

State: Wyoming

Relevant Committees: Senate Commerce, Science and Transportation Committee; Senate Environment and Public Works, Transportation and Infrastructure Subcommittee

Relevant Caucuses: TBD

Member Bio: Lummis pushed a conservative agenda aimed at cutting taxes and reining in federal spending during her eight years in the House, and plans to do the same in the Senate. She plans to work closely on state issues, including promoting Wyoming's energy industry. She replaces retiring Sen. Mike Enzi (R).

Election Vote: 73.1%

State Info: Wyoming produces around \$3 million in annual fresh produce and tree nut on nearly 150 farms. Other major agricultural commodities include cattle, other crops and hay and grains.
